Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on November 29, 2005 is not fully responsive to the prior Office action because it fails to point out why all of the claims distinguish over the prior art of record. Applicant's remarks appear to be drawn to the previously rejected claims, but do not specifically address the claim limitations presented in the recently added claims. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Anne Marie M. Boehler at telephone number 571-272-6641.
